t sesini yazalım.

Handwriting practice lines for the letter 't'. Each line contains a dashed 't' for tracing, followed by empty space for independent writing. The lines are arranged in a grid format with a yellow background and a dashed orange line for the baseline.

Etkinlik

A diagram of a T-junction. A horizontal pipe on the left has a red dot at its end labeled '1' with a red arrow pointing right. A vertical pipe branches off downwards from the center of the horizontal pipe, with a red dot at its top labeled '2' and a red arrow pointing down.

This image shows a handwriting practice sheet with ten rows. Each row is defined by three horizontal lines: a solid top line, a dashed middle line, and a solid bottom line. The first row is pre-filled with the letter 'a' in a cursive script. The remaining nine rows are blank for practice.

This image shows a full page of handwriting practice paper. It contains ten identical horizontal rows stacked vertically. Each row is defined by three horizontal lines: a solid black top line, a dashed orange middle line, and a solid black bottom line. The rectangular area between the dashed middle line and the solid bottom line is filled with a light yellow color. A vertical dashed line runs down the left side of each row, starting from the top line and ending at the bottom line, providing a guide for letter height and placement. The entire page is enclosed in a thin black border.
